SPRING + SUMMER 2021

# TAVI NOIR®

A P P A R E L

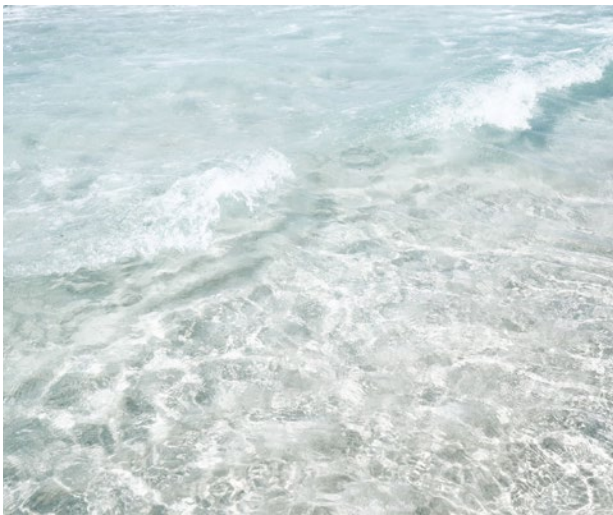

Prepare to enter a new world of design-meets-function, and luxury-meets-performance. We exist in a realm where ordinary has no place, because only the highest performing pieces make the cut.

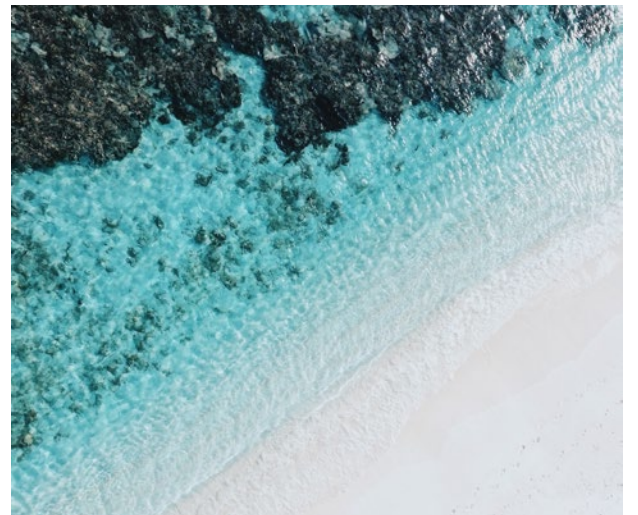

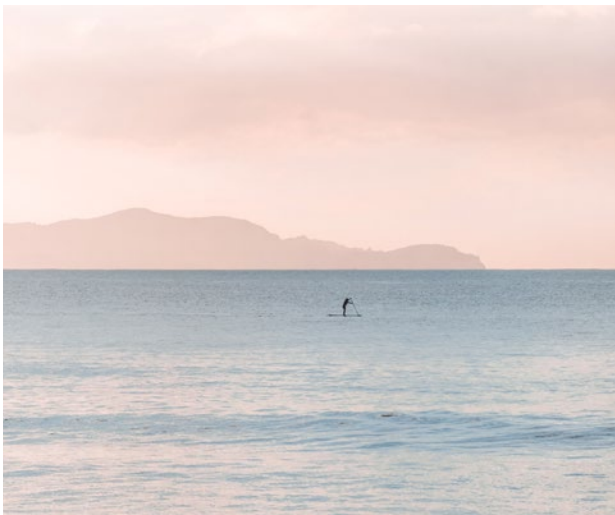

Tights are put through unprecedented testing to make sure they don't just look next level — they perform it too. Tanks offer superior breathability and quick dry when you need it, and beautifully structured post-workout form when you don't. From leggings to tanks, and hoodies to jackets, it all looks as good on the street as it does in the studio.

It's time... The workout wardrobe you've only dreamt of has finally arrived. We are Tavi Noir Apparel.

# THE ANATOMY OF A TAVI NOIR TIGHT

Waistband side seams are slightly offset to the front for a slimming effect.

4-way stretch and moisture wicking fabric provide comfort during workout.

Hem seams are heat seal finished for a clean line that transitions from studio to street.

High waist provides all around support and a smooth finish.

Internal pocket keeps your cards & cash secure.

Design lines are strategically placed to flatter the body and provide a slimmer look.

Seams are flatlocked for minimal chafing during workout.
